

COME SAY HELLO..

We'll stick the kettle on!

From the A55 take the St Asaph exit, then take the A525 towards **Rhyl**.

Follow this all the way into Rhyl, until you reach the traffic lights at **Morrisons Supermarket**. At this point go straight across the lights, taking you over the Railway Bridge.

On the other side of the bridge is a set of lights taking you to the left on to **Kimmel Street** (one-way system). After the lights, take the right hand lane, then turn right at the next lights on to **Queen's Street**.

Keep to the left lane and this will lead all the way to the **Promenade**. At the lights, stay left to go on to the Prom. Parking is available on the Promenade with the closest to us being in front of Vue Cinema, beside Sky Tower.

Our street, **Water Street**, is opposite the Sky Tower. We are located in the **large red brick building** on the right hand side.

Give us a call if you're lost!
